

Budget art paper

Short description: Our most affordable fine art paper – delivered rolled or flat, ready to frame

Long description: Our budget art paper is an all-purpose, great-value option for premium-looking art prints at a more competitive price. This smooth, bright white poster paper features a barrier-coated surface for reliable, consistent results – perfect for volume projects and everyday wall art prints. With a clean matte finish, it keeps reflections to a minimum and helps colours and details read clearly on the wall.

All of our fine art prints are made using Giclée printing – the gold standard used by museums and galleries worldwide. Pigment-based archival inks deliver smoother gradients, richer colour depth and long-lasting brilliance that won't fade when displayed indoors.

Choose sizes from 6x4" to 48x48". Orders sized 200mm ship flat. All other sizes ship rolled.
