

Ceramic Christmas tree ornaments

Short description:	Personalised Christmas tree decorations in ceramic with a natural gloss finish	
Long description:	Is it even Christmas without some personalised Christmas decorations? Prep your online store for the festive season with our custom tree ornaments – perfect for adding a personal touch to any tree. Think everything from first Christmases and new homes to immortalising furry friends. Made from smooth ceramic with a natural gloss finish, these personalised Christmas ornaments come with gold string for easy hanging and support all-over or designated printing on one side. Please note: All of our ceramic ornaments are carefully hand-printed, which means slight variations in alignment may occur. For best results, we recommend using a full-coverage design and avoiding elements that require perfect centring. Some edge blurring is normal due to the ceramic's texture and finish may vary. Any white areas within your artwork will not be printed.
