

Classic framed metallic foil prints

Short description:	Classic framed foil prints in gold or silver – delivered ready to hang
Long description:	Create standout foil art with our framed foil prints in gold or silver – part of our specialist prints range. Perfect for graphic illustrations, abstract work and text-based designs, this specialist material has a smooth, lustrous surface. You control exactly where the foil appears in your artwork, so highlights, lettering and key details shine with a premium finish. Our advanced printing technology makes short runs easy, with no setup costs – so you can order one-off custom framed foil prints or scale up to larger quantities quickly. Available to order in eight frame colours and two glaze options, including Perspex and moth-eye glaze. Our premium moth-eye glaze features a revolutionary coating made from a special type of anti-reflective thin film, creating a stunning, no-glass effect. Read our setup guide on foil printing to prep your files, and note that areas defined as pure white or transparent will reveal the gold or silver foil.
