

Frosted window clings

Short description:	Custom window clings with frosted finish and single-sided print
Long description:	Create stylish, semi-private displays with our frosted window clings, designed to diffuse light while maintaining visibility. Perfect for branding, privacy screening or interior accents, these custom window clings offer an elegant, professional look without the permanence of traditional window treatments. Made from 4mm PVC film, our frosted window cling film provides a premium etched-glass effect, making it ideal for office spaces, retail stores and decorative applications.
