

Gildan 2400

Short description:

Gildan 2400 classic fit t-shirt with crew neck and long sleeves.

Long description:

Made from 100% cotton sourced in the US, the Gildan 2400 t-shirt has a soft-hand feel with natural stretch. Gildan Ultra Cotton® is pre-shrunk to resist shrinkage and hold its shape wash after wash, and offers a slightly thicker feel than Gildan Heavy Cotton®.

Cut with a classic fit, it features a crew neck, long sleeves, ribbed trims and seamless design for freedom of movement.

Each piece is custom printed using direct-to-garment technology, ensuring super-sharp detail and vibrant, long-lasting colour, before being packaged and shipped directly to your customer.

This product also supports extra features, including removable tags and multiple print areas. These are available at an additional cost, with details on pricing and availability explained in our FAQs.

****Please note:** Fibre content varies by colour. Please see below for more information.**
