

Retractable banners

Short description:	Custom pull up banners with light-blocking design and single-sided print
Long description:	Perfect for exhibitions and events, our retractable banners are digitally printed onto 15oz scrim vinyl with a light-blocking opaque layer that prevents show-through, ensuring your marketing displays appear in crisp, clear colour. Available in one size, each banner features a footless design that's durable, lightweight and ideal for in-store displays and trade shows. The high-grade aluminium base with chrome end caps includes a 3-section shock-corded pole that folds neatly for storage in the base. The banner attaches securely to the hardware with VELCRO®, allowing graphics to be easily changed, and is rated for at least 200 retractions. A soft-sided carrying case is also included for added convenience.
Features:	- Custom retractable banners - Single-sided print - Made from high-quality 15oz scrim vinyl - Light-blocking opaque layer for crisp imagery - Footless, durable and lightweight design - VELCRO® attachment for easy graphic changes - Choice of banner with stand or replacement/refill banner only - Soft-sided carrying case included
